ATTENDANCE, TARDINESS, MAKE-UP, AND LEAVE OF ABSENCE

ATTENDANCE & ACADEMIC PROGRESS STANDARDS

It is difficult to successfully develop marketable skills without regular, consistent attendance.

Therefore, students are expected to progress and complete according to their schedule and within their planned enrollment period.

If students experience problems with their schedules, they may request a revised schedule. If a student needs to reduce their scheduled classes per week, the total class clock hours cannot be less than any minimum number of hours required by their funding.

TARDINESS

CDE Career Institute expects students to be prompt for all activities, appointments, and training sessions.

ATTENDANCE REQUIREMENTS

CDE Career Institute records the daily attendance of each student in accordance with each state guidelines. Records of students' attendance are kept on file and are available for student review. The school encourages all students to attend classes daily. The minimum attendance requirement is 70 percent of the program. Absenteeism for more than 30 percent of the total program constitutes cause for dismissal. Students who have greater than 30 percent absences will have their case reviewed by the Education Director and a make-up plan developed to achieve compliance. Students who do not achieve the minimum attendance rate within the time described

in their make-up plan will be administratively withdrawn. Students who realize that their absence will extend beyond 30 percent of the program have the option of requesting an official leave of absence.

ABSENCES

The School regards students who miss scheduled classes to be absent for those clock hours. Absences will be excused for up to 10% of the students scheduled clock hours as of the absence date. Any absences exceeding 10% of the students scheduled clock hours will not be excused. Days that the school is closed, or days covered by an approved Leave of Absence need not be made up.

Students who do not meet the attendance requirements of their individual funding streams, will lose funding and will billed for any remaining balance by CDE Career Institute.

MAKE-UP POLICY

At CDE Career Institute, we believe our students are responsible adults, and as such are responsible for their own success. It is difficult to successfully develop marketable skills without regular, consistent attendance. Student's attendance is recorded daily.

Students are expected to progress and complete according to their schedule of record. Students that are required to make up absences **must** arrange make-up sessions with their instructor so that skill competencies develop within the student's planned enrollment period. There will be no charge for make-up time. Make up hours are offered Monday to Thursday between 3:00 pm and 5:00 pm and Friday between 9:00 am and 5:00 pm. The student must make up missed classes and assignment within five (5) business days of returning to school.

Requests for leave must be submitted to the Instructor and reviewed and approved or disapproved by the Education Director or School Director in writing and must include an effective date, definitive return date and student signature. A Leave of Absence request may be taken from the

student verbally if they are unable to submit the application in person. The Education Director or School Director will review the request for regulatory compliance with school policy as well as compliance with the student's individual funding stream regulations. If all is compliant, the Leave of Absence will be approved, indicated as such by a signature on the request. If a student fails to return from a Leave of Absence on or before the approved return date, the student will be terminated from the program on the day after the scheduled return date. Refunds for students terminated for failure to return from a Leave of Absence will be made according to the guidelines in the Cancellation and Refund Policy.

For Federal Student Aid funded students and for purposes of Return of Title IV funds, the withdrawal/termination date will be the last date of academic attendance. Students not returning on the scheduled date are terminated from their enrollment and the grace period for Federal Direct Student Loans begin on the students last date of attendance. (Example: Student is scheduled to return from an approved LOA on May 1. They have been on Leave since April 1. The student does not return. The failure to return is reported to Federal Student Aid and the students 6 month grace period starts effective April 1.) Students are limited to leave of absence, not exceeding 180 days, in a 12-month period. Upon return from a leave of absence, students must meet with Admissions staff to resume classes appropriate to their Program's requirements.

**Exceptions: 1.) Additional leave of absence subsequent to an approved leave may be permitted if the subsequent leave of absence does not exceed 30 days and the school determines that the subsequent leave of absence is necessary due to unforeseen circumstances; and 2) Subsequent leaves of absence may be approved for jury duty, military reasons, or circumstances covered under the Family and Medical Leave Act of 1993.*

Disciplinary Probation: An official notice that the student may face suspension or expulsion should the student be involved in another incident during a specified period of time.

Suspension: Exclusion from classes and/or exclusion from other privileges or activities or from campus for a specific period of time.

Dismissal: Permanent dismissal from the School.

The School Director will notify the student in writing should it become necessary to dismiss the student. The dismissal letter will contain the date and reason for dismissal. It is the responsibility of the dismissed student to notify the appropriate institution should the student have a student loan or is receiving financial aid. Prepaid tuition will be refunded according to the school's refund policy.

ACADEMIC HONESTY

Academic honesty is expected of all CDE Career Institute students. Academic dishonesty includes, but is not limited to cheating, plagiarism, and theft. Any student found guilty of academic dishonesty is subject to disciplinary action.

Disciplinary action against a student found guilty of academic dishonesty includes, but is not limited to: (1) a failing grade for the test or assignment in question; (2) a failing grade for the course; and/or (3) a recommendation for dismissal from the school.

Students may appeal the Academic Dishonesty determination by submitting a written notice of appeal to the School Director within seven (7) days of the date they were notified of determination. The written notice of appeal submitted by the student must document any mitigating circumstances that might lead to the removal of the academic dishonesty determination. The School Director will notify the student in writing of the outcome of their appeal within seven (7) days of receipt of the appeal. The appeal and its outcome will be documented in the student's file.

DRUG OR ALCOHOL ABUSE EDUCATION PROGRAMS

CDE Career Institute does not provide substance abuse counseling or educational programs to students. Students are encouraged to seek assistance from community agencies that provide these services.

ALCOHOL, DRUG, & WEAPONS

The possession, use and/or sale of alcoholic beverages and/or any illegal drugs is strictly forbidden on the campus (including the parking lot and adjacent areas) of CDE Career Institute. All students and employees receive the CDE Career Institute alcohol, drug, and weapons policies during new student or new employee orientation and sign the Student Conduct Agreement. Any student or employee in violation of this policy will be terminated from school or employment immediately. The possession and/or use of any weapons, including but not limited to knives and firearms, is strictly prohibited on campus, and are cause for immediate termination.

SEX OFFENSES

Student sex offenses are addressed as part of the School's Discrimination and Harassment Policy. This policy is reviewed and distributed to each student at initial orientation. Students and employees should immediately report all sex offenses to the School Director or his/her designee. Physical evidence is crucial for the successful prosecution of sex offenders and therefore should be preserved for proof of a criminal offense should the student or employee determines s/he will report the offence to law enforcement personnel. The School Director, or other personnel selected by the student, will assist the student in notifying authorities if the student requests such assistance.

The institute will change the training schedule of a student after an alleged sex offense if requested by the student.

CAMPUS SAFETY POLICY

MEDICAL EMERGENCIES

In the event of sickness or accident, these procedures are to be followed:

1. If you become ill or are injured in an accident on campus, notify your instructor immediately.
2. If the illness or accident requires emergency care, the school will obtain emergency assistance by calling 9-1-1.
3. The school will notify the individual you have designated as your Emergency Contact.
4. First-Aid Kits are located throughout the Institution for minor emergencies. All staff members are aware of the location of the First-Aid Kits.
5. In the event of illness or injury, your instructor will complete an Incident Report and submit that report to the School Director or his/her designee.

BUILDING EMERGENCIES

Fire Emergency

All students should familiarize themselves with the evacuation plans posted in the classrooms and through the building. In the event of a fire in the school building, students should:

- Immediately notify an instructor so that a fire evacuation may be initiated if the alarm has not already sounded.
- Remain calm; cooperate with the instructor and follow directions given.
- Assist the instructor in closing all windows and doors behind you as you leave.
- Crawl low under the smoke to escape.
- If escape through the doors is not possible, your instructor will assist you in exiting through the nearest unobstructed window.
- If your clothing catches fire, stop right where you are. Drop to the ground. Roll over and over to put out the flames.
- It is your responsibility of ALL students to follow these procedures. No student should leave his/her group and wander

around the building alone.
 Students and instructors will
 gather in the front parking lot at a
 safe distance from the building
 following evacuation.

C	79% - 75%	2.0
D	74% - 70%	1.0

Emergency Evacuation for Students with Special Needs:

If you need special help or assistance during an emergency evacuation, be sure to tell your instructor.

ACADEMIC GRADING POLICY

Academic performance for students enrolled in a program is measured through the assignment of grades and grade points. The school measures progress using a 4-point scale as follows:

Main Campus:

	<u>Grades</u>	<u>Grade Points</u>
A	100% - 90%	4.0
B	89% - 80%	3.0
C	79% - 70%	2.0
D	69% - 60%	1.0
F	Below 60%	0.0
I	Incomplete*	

Branch Campus:

A	100% - 90%	4.0

ACADEMIC PROGRESS

The Satisfactory Academic Progress (SAP) Policy applies to all students enrolled in the CDE Career Institute, whether receiving Federal Title IV Funds, partial funding assistance, Workforce Investment Act funds or self-pay

Process Overview & Responsibilities

Federal regulations require all schools participating in state and federal financial aid, Title IV, programs to monitor Satisfactory Academic Progress (SAP). **These standards are applicable to all students attending this institution.**

Students enrolled in programs must meet formal standards that measure their satisfactory academic progress toward graduation. The policy is provided to all students as published in the School Catalog prior to enrollments and at new student orientation. The policy is consistently applied to all applicable students. Evaluations are maintained in the student file.

All students must maintain Satisfactory Academic Progress according to the following standards in order to continue enrollment. Satisfactory Academic Progress is measured at the end of each payment period, and will be checked prior to disbursement of aid.

Same As or Stricter Than:

The school’s SAP policy for Title IV, students is the same as the school’s standards for students enrolled in the same educational programs who are not receiving Title IV, funding.

The Financial Aid office reviews the Title IV, SAP policy to ensure it meets all federal requirements.

Evaluation Periods:

SAP evaluation periods are based on actual clock hours at the school. Students who are not making SAP will be notified in writing. Failure to make SAP will impact eligibility for Title IV, financial aid. The maximum time frame equals 1.5 the published length of the course. Authorized leaves of absences will not be considered in the maximum time frame evaluation. You must be aware that a Leave of Absence will extend the student’s contracted period and maximum time frame by the same number of days taken in the Leave of Absence.

Academic Year Definition:

940 clock hours for the Medical Transcription/Insurance Billing Program and 930 clock hours for the Computerized Office Assistant Program (for Federal Student Aid, Title IV, funding)

Quantitative (Pace) Requirement:

Students are expected to complete in the published number of clock hours however they are required to complete his/her educational program in no longer than 150% of the published length of the program as measured in clock hours as determined by the program in order to be considered making Satisfactory Academic Progress. The time frames below are based on a 24 hour per week schedule.

	Normal		Maximum	
	Hours	Weeks	Hours	Weeks
MTB	940	40	1410	58.75
COA	930	39	1395	58.13
PCA	300	13	450	18.75
MOA	390	17	585	32.5

Evaluations are conducted at the end of each payment period to determine if the student has met the minimum requirements. Evaluations are based on the cumulative attendance percentage as of the last day of the evaluation period. The attendance percentage is determined by dividing the total hours accrued by the total number of hours scheduled. An evaluation of the cumulative attendance since the beginning of the course will indicate that, given the

same attendance rate, the student will graduate within the maximum time frame allowed.

Example: If a student completed 450 hours and was scheduled to complete 650 hours, the percentage would 69 % (minimally acceptable pace to complete the program within the 100% normal time frame is 70%)

Qualitative Measure of SAP:

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned course study.

Main Campus:

Students must maintain a cumulative theory grade average of at least 70 % (C) (2.0 GPA) at the end of each progress report period (payment period).

Branch Campus:

Students must maintain a cumulative theory grade average of at least 75% (C) (2.0 GPA) at the end of each progress report period (payment period).

Students must make up failed or missed tests and incomplete assignments. Practical skills performances are counted toward course completion only when considered satisfactory or better and are therefore, not a component of satisfactory progress. If performance does not meet satisfactory academic requirements, it is not counted and the performance must be repeated until a satisfactory level of performance is achieved. The school uses the following grading scale:

Main Campus:

4.0	90-100	A
3.0	80-89	B
2.0	70-79	C
1.0	60-69	D
0.0	Below 60	F

Branch Campus:

4.0	90-100	A
3.0	80-89	B

2.0	75-79	C
1.0	70-74	D
0.0	Below 70	F

A grade of “C” is considered a passing grade.

Incomplete Grade:

* An "Incomplete" will be changed to an "F" grade if a class is not satisfactorily completed within the maximum time frame for completion. (see Maximum Time Frame for Completion).

Students enrolled in programs containing Internships, that fail to start the Internship or who voluntarily do not complete the required minimum hours or are asked to leave the site will be required to meet with the Admissions staff to determine any extenuating circumstances that may allow for additional placement. If none exist, the student will receive an Incomplete, “F” for the Internship.

Students receive class grades based on the evaluation method described in the individual program outline. Grade points earned for each course will be multiplied by the unit value assigned to the course to determine quality points earned for that course. Quality points are totaled for all courses in the program and then divided by the program’s total number of units to determine the student’s GPA.

Financial Aid Warning:

The school evaluates Satisfactory Academic Progress at the end of each payment period and checks for the following:

1. Grade point average (GPA) and the student must maintain a minimum of a 2.0 GPA.
2. Attendance must meet the minimum of 70% rate of attendance.
3. Clock hours, the student must meet half the hours of instruction for that programs payment period to be eligible for the next payment.

If a student falls below a 2.0 GPA, or if the student is not completing the required amount of clock

hours to keep Pace with the requirements for graduation within the 150% time frame, will result in the student being placed on **Financial Aid Warning for one payment period.** A student who is put on a Financial Aid Warning can continue to receive Title IV, funding for the next payment period after they receive the warning status.

If the student is not meeting Satisfactory Academic Progress at the end of the **Financial Aid Warning Period,** the student will be placed on **Academic development Status, with a loss of Title IV, funding** and will be required to meet specific criteria of an improvement plan to assist them in regaining SAP and Title IV, eligibility. During this period the students will not be eligible to receive Title IV, funds but he/she may continue on a cash pay basis with an approved payment plan. Arrangements for payment must be approved within 10 school days of notification of development status.

If a student is making SAP at the end of the Financial Aid Warning, they shall be returned to normal SAP status with no loss of Title IV eligibility.

APPEAL PROCESS:

If the student does not make SAP at the end of the Financial Aid Warning period, they lose their Title IV, financial aid eligibility and will be placed on **Academic development Status, with a loss of Title IV, funding,** with the right to appeal. The student may have the opportunity to have their Title IV, financial aid eligibility reinstated by appealing the **Academic development Status, with a loss of Title IV, funding** decision and placed on Financial Aid Probation if the appeal is granted.

The student has five (5) days to institute an appeal. The appeal must be given to the School Director, who in turn will meet with the Student Services Director, to make a decision on the appeal.

The student must describe any unusual circumstance(s) that the student believes deserve special consideration. The basis on which a student may file an appeal: death of a relative, an injury, or illness of the student or **other special**

circumstance. The student must provide supporting documents and describe in writing any unusual circumstance(s) that the student believes deserve special consideration. The student must provide information as to why they did not make SAP and what has changed that will allow them to make SAP by the next evaluation point.

Once the School Director receives the appeal, they will evaluate the appeal and provide a decision within ten (10) business days. The School Director will notify the student in writing of the decision and that decision is final.

Financial Aid Probation:

If Financial Aid Probation Status is granted, the student will regain Title IV, eligibility for the next eligible payment period only. The student must be making SAP at the end of the payment period to regain Title IV, funding for the next payment period.

When a student is placed on Financial Aid Probation status, he or she will be required to do the following:

1. Agree to a written academic plan that specifies how the student will regain SAP. The plan may include but is not limited to attendance make up sessions, repeating a course for which the student received a failing grade, and/or repeating a course from which the student withdrew.
2. Sign the academic plan (a copy will be kept in the student's file).

A student on Financial Aid Probation because of a successful appeal is eligible for Title IV, funds for ONE payment period only.

Students who regains SAP at the end of the next payment period will have regained full eligibility for Title IV, funding.

The student on financial aid warning, probation or Title IV, funding suspension for a payment period may not receive Title IV, funding for the subsequent period unless the student makes SAP

Reinstatement of Title IV, Aid:

Reinstatement of aid is limited to the period under evaluation. Students making SAP by the conclusion of the Warning or Probation period will be removed from the warning/probation status and will regain eligibility for Title IV, funding

Leaves of Absence and Interruptions:

If student enrollment is temporarily interrupted for a Leave of Absence (LOA) (not to be extended beyond 180 days) and documentation to support the required leave of absence is submitted to the school Director (i.e. LOA Application request, Doctor's excuse, etc.) the student will return to school in the same progress status held prior to the leave of absence. Classes missed and clock hours that have elapsed during a leave of absence will extend the student's contract period by the same number of clock hours and will not be included in the student's cumulative attendance percentage calculation.

RE-ENTRY POLICY

Reinstatement or Re-Entry before 180 days

Students who withdraw prior to completion of the course and wish to re-enroll within six months (180 days) of the original official withdrawal date will return in the same satisfactory academic progress status as at the time of withdrawal.

Students who have been terminated or withdrew from school may re-enroll (if determined eligible) within 180 days and will not incur additional charges, however these students will be responsible to pay any remaining balance from the previous enrollment that cannot be covered with reinstated federal funds.

Students who have been terminated or withdrew from school and re-enroll (if determined eligible), after more than 180 days will be charged for contracted hours at the current tuition rate. All re-enrolling students will be provided the school's re-enrollment policy and will be evaluated by the school Director for placement.

OFFICIAL WITHDRAWAL FROM SCHOOL

In the event that circumstances beyond the student's control make it necessary for withdrawal the student must consult with the School's Director and complete a Withdrawal Form with using the last date of attendance as the drop date. This process is discussed in more detail in the Return to Title IV, funds policy.

UNOFFICIAL WITHDRAWAL FROM SCHOOL

In the event that the school unofficially withdraws a student the School Director will determine the date of withdrawal as the last date of attendance. This process is discussed in more detail in the Return to Title IV, funds policy.

Re-entry Students after more than 180 days/interruptions:

Students who have been terminated or withdrew from school and re-enroll (if determined eligible), after more than 180 days will be charged for contracted hours at the current tuition rate. All re-enrolling students will be evaluated by the School Director for placement in the curriculum. Re-enrolling students will be required to re-take previously passed courses as well as purchase new textbooks or E Textbooks if those course have been updated. Students applying for re-entry or transfer-in from other schools will be required, as a condition of enrollment, to bring delinquent prior student loans to a current status.

A determination of SAP will be made and documented at the time of withdrawal or beginning of a LOA. That determination of status will apply to students at the time they return to school. The student may appeal a negative Satisfactory Progress determination according to the appeal policy. Elapsed time during a LOA does not affect SAP and will extend the contract period by the same number of clock hours as the LOA. Students re-entering after exiting the school will not be evaluated as new students and consideration will be given to the student's progress status at the time of previous withdrawal.

Re-enrollment is at the discretion of the school administration.

GRADUATION REQUIREMENTS

Students must meet the following requirements in order to be considered for graduation:

1. Successful completion of all academic requirements of the program with a total minimum GPA of 2.0 within the maximum allowable time frame (150% of programs scheduled clock hours) ; **and**
2. Be scheduled for a minimum of 90% of the program's total clock hours (hours specified in the outline of the program of choice) through scheduled attendance or make-up sessions, have a minimum attendance rate of 70% (attended hours/scheduled hours; not exceed a maximum of 150% of the programs scheduled clock hours **and**
3. Meet all financial obligations to the school.

A Diploma will be awarded to all Pennsylvania campus students who meet the Graduation Requirements of the chosen program.

***The Medical Transcription/Insurance Billing program includes a **REQUIRED** internship component. Students may not voluntarily "opt out" of this requirement and be eligible to graduate.

STUDENT EVALUATION TECHNIQUES

A midterm exam, a final exam and quizzes will be administered for each course within each program to determine the amount of learning that has taken place. Test scores that are below **70% (For Main Campus Students) and 75% (for Branch Campus Students)** are an indication that the necessary skills for entry into employment were not acquired. Students should make arrangement for additional practice and/or free tutoring.

INSTRUCTOR EVALUATION TECHNIQUES

Instructor evaluations, surveys and classroom observations are conducted at the end of every program. Evaluations and surveys are reviewed by the school director and used to improve instructor quality.

FINANCIAL AID

CDE Career Institute believes that students and their families have primary responsibility for a student's educational costs. However, many families are unable to immediately fund the entire cost of education. To that end, CDE Career Institute participates in several federal Title IV financial assistance programs that are available to students who qualify. The following sections describe that policies and procedures that govern financial aid at CDE Career Institute.

WHAT IS FINANCIAL AID?

Financial aid encompasses all funding that student receives because of their enrollment in a postsecondary institution. Such financial aid includes, but is not limited to, loans, grants, employment, agency funds, and employer reimbursement.

TITLE IV PROGRAMS IN WHICH CDE CAREER INSTITUTE PARTICIPATES

CDE Career Institute participates in the Federal Pell Grant Program, the Federal Direct Student Loan Program, and the Federal PLUS Loan Program.

Federal Pell Grant: The Federal Pell Grant is an award that does not have to be repaid. Federal Pell Grants are awarded only to undergraduates who have not earned a bachelor's or professional degree. Applying for the Federal Pell Grant is the first step of the financial aid process.

Prospective students must complete a Free Application for Federal Student Aid (FAFSA) to determine eligibility for the Federal Pell Grant. Awards are based on student eligibility, cost, and length of the program; The FAFSA may be filled out on-line at FAFSA on the Web at www.fafsa.ed.gov.

Federal Direct Student Loan Program (Subsidized): This loan program provides a maximum of \$3,500 for programs one year in length. These loans are interest free while a student is in school and for six months after graduation or withdrawal. Eligibility for this loan program is determined by the successful completion of the FAFSA. The same application used in applying for the Federal Pell Grant awards.

Federal Direct Student Loan Program (Unsubsidized): This loan program provides a maximum of \$6,000 for programs one year in length. Interest accrues from the point the student receives the loan money but repayment can be deferred for up to six months after graduation or withdrawal. Loan payments can also be deferred up to six months after graduation or withdrawal.

Federal Parent PLUS Loan Program: This loan program is for parents who wish to take out a loan for their child's education. The amount a parent can borrow is determined on an individual basis utilizing the cost of attendance and the amount of other financial aid received. Interest accrues from the point the loan money is received. Payments must begin within 60 days of the second disbursement of the loan.

APPLYING FOR FINANCIAL AID

Anyone wishing to apply for federal Title IV financial assistance must complete a Free Application for Federal Student Aid (FAFSA). Our school code is **041275**. These applications are available on-line at www.fafsa.edu.gov. The Financial Aid Office will assist students with application completion, and answer any questions.

In order to insure that applicants have a complete aid package no later than they want to begin class, required documents should be brought to your financial aid appointment and any requested paperwork should be completed as soon as possible.

ELIGIBILITY REQUIREMENTS FOR FEDERAL TITLE IV AID

In general, an applicant is eligible for Federal Title IV financial assistance if the requirements listed below are met. The applicant must:

- Be enrolled as a regular student in an eligible program
- Be a U.S. citizen or eligible non-citizen
- Not be in default on any Federally Guaranteed Student Loan
- Not be enrolled at another institution or
- Receiving Title IV funds at the same time

STUDENT COST OF ATTENDANCE

An average cost of attendance for a student attending CDE Career Institute consists of allowances for room and board, transportation expense, plus one academic year's tuition, fees, books, and supplies.

REQUIREMENT FOR FINANCIAL AID TRANSCRIPTS

It is a requirement of federal regulations that institutions determine all previous federal Title IV aid received by a student prior to disbursement of funds. CDE Career Institute uses the National Student Loan Data System to obtain financial aid information from each school at which a student was previously enrolled. Financial aid disbursements are withheld until this verification of previous aid has been completed.

REQUIREMENTS FOR CITIZENSHIP VERIFICATION

If a student applies for federal Title IV financial assistance, a database match will be conducted to determine the student's eligibility status with the Social Security Administration (SSA) and the Immigration and Naturalization Service (INS). If the SSA or the INS is unable to complete the match, the student will be asked to submit additional documentation. The Financial Aid Office will assist the student in completing and submitting the necessary federal forms for additional SSA or INS verification. Financial aid disbursements will not be made until citizenship status has been verified.

REQUIREMENTS FOR FINANCIAL VERIFICATION

Federal regulations require that some student aid applications be subject to a process called verification. This process involves gathering proof of the information submitted on the student's FAFSA and verifying that the information is correct. The procedures covering verification are:

TIME PERIOD WITHIN WHICH REQUIREMENT DOCUMENTATION MUST BE PROVIDED

Unless extenuating circumstances intervene, the required documentation must be provided within 30 days of the date the applicant is notified that s/he has been selected for Verification. Financial aid disbursements are withheld until this process has been completed.

CONSEQUENCES OF FAILURE TO PROVIDE THE INFORMATION WITHIN THE 30-DAY PERIOD

Students will receive no disbursement of funds if they fail to provide the information required for verification. In addition, they will be expected to make cash payments to the Institution to cover their cost of education.

If the results of the verification satisfy the requirements, the funds for which the student is eligible will be released. If the verification results are inconsistent with previously provided information, the student will be called into the Financial Aid Office and the items that were not valid will be discussed.

If the Institution has reason to believe that, any application has been intentionally submitted under false or fraudulent circumstance, such application will be referred to the Office of the Inspector General.

REQUIRED DOCUMENTATION

Transcripts of the student and spouse's prior year federal income tax return may be required to be submitted. If the applicant is a dependent student, parents' tax transcripts must also be submitted. The applicant must complete a Verification Worksheet. The Financial Aid Office will give the worksheet to the applicant.

Each applicant has the following rights and responsibilities with regard to verification:

- The right to be informed that he/she has been selected for verification and what the responsibilities of such selection are.
- The consequences for not meeting those responsibilities, explained in detail orally and, when necessary, in writing.
- The applicant will be informed of his/her right to appeal aid decisions. Such appeals must be made in writing to the Financial Aid Director within 10 calendar days of the date of the decision. The school will inform the applicant of the results of the appeal within 30 calendar days of the receipt of the applicant's appeal.
- Information must be correct as of the date of verification or as of the date the first Institutional Student Information Record (ISIR) is received by the Institution.

ELECTRONIC APPLICATION PROCESSING

CDE Career Institute participates in a program known as Electronic Data Exchange, which provides an Institutional Student Information Record (ISIR) that is used by the Financial Aid Office to establish eligibility for Title IV financial assistance programs.

FEDERAL AID APPLICATIONS

The applicant must complete the Free Application for Federal Student Aid (FAFSA). This can occur in the Financial Aid Office or if offsite, the application must be submitted to the Financial Aid Office. The Financial Aid Office will transmit the information electronically to the central processor and CDE Career Institute will receive an ISIR electronically. The applicant will receive a Student Aid Record (SAR) from the Department of Education. CDE's school code is **041275**.

CORRECTION OF INFORMATION

If, as the result of verification or another documentation process, it becomes necessary to correct any of the information on an ISIR, the Financial Aid Officer will note the submit the

corrections electronically. A new ISIR containing the correct information will then be generated. If the corrections result in a change in eligibility, the applicant will be so informed by the Financial Aid Office.

DISBURSEMENT PROCEDURES

For programs that are measured in clock hours, financial aid disbursement are made at the beginning of each payment period except the first payment period as described below. Second disbursements are made at the half way point of each program that is greater than one academic year (900 hours). Programs less than one academic year are divided into two equal payment periods.

First disbursements of loans are not made until the student has completed a loan entrance interview with a Financial Aid Administrator. Federal Pell Grants are posted directly to the student's account at the beginning of each period (or when received and processed). Each student will receive notification of the disbursement to his/her account.

RETURN OF TITLE IV FUNDS POLICY

There are two types of refunds: the institutional refund and the return of Title IV funds.

The Financial Aid Office is required by federal statute to recalculate federal financial aid eligibility for students who withdraw, drop out, or dismissed, prior to completing 60% of a payment period or term. The federal Title IV financial aid programs must be recalculated in these situations.

If a student leaves the institution prior to completing 60% of a payment period or term, the financial aid office recalculates eligibility for Title IV funds. Recalculation is based on the percentage of earned aid using the following Federal Return of Title IV funds formula:

Percentage of aid earned equals the number of days completed up to the withdrawal date, divided by the total days in the payment period or term. (Any break of five days or more is not counted as part of the days in the term.)

Funds are returned to the appropriate federal program based on the percent of unearned aid using the following formula:

Aid to be returned equals (100% minus the percent earned) multiplied by the amount of aid disbursed toward institutional charges.

If a student earned less aid than was disbursed, the institution would be required to return a portion of the funds and the student would be required to return a portion of the funds. Required funds will be returned within 45 days. In some cases when Title IV funds are returned, the student borrower may owe a balance to the institution.

If a student earned more aid than was disbursed to him/her, the institution would owe the student a post-withdrawal disbursement, which must be paid within 30 days of the student's withdrawal.

Refunds are allocated in the following order:

- Unsubsidized Federal Direct Student Loan Program
- Subsidized Federal Direct Student Loan Program
- Federal Perkins Loan
- Federal Parent (PLUS) Loan
- Federal Pell Grant
- the student

VETERANS EDUCATION SAP POLICY

CDE Career Institute is approved to provide educational programs to Veterans Education beneficiaries.

Students funded by Veterans Education are subject to the following SAP policies along with the School's remaining policies;

*students who are withdrawn/terminated or dismissed will be reported to the VA and VA Education Benefits will discontinue.

Satisfactory Academic Progress

Academic Grading Policy

Academic performance for students enrolled in a program is measured through the assignment of grades and grade points. The school measures progress using a 4-point scale as follows:

	<u>Grades</u>	<u>Grade Points</u>
A	100% - 90%	4.0

B	89% - 80%	3.0
C	79% - 70%	2.0
D	69% - 60%	1.0
F	Below 60%	0.0
I	Incomplete*	

Minimum Grade Point Average

Successful completion of all academic requirements of the program with a total minimum GPA of 2.0

Academic Probation

Veterans Education beneficiaries will be placed on academic probation if their attendance falls below the minimum standard of 70% and/or if their GPA fall below the minimum standard of 2.0. The student will be on academic probation for a minimum of 30 days during which they will develop a corrective action plan with their Instructor to achieve the required standard. If at the 30 day point, the student is not achieving the minimum standard, he/she will meet with the Education Director to develop a 30 day corrective action plan. Failure to achieve the minimum standard after 60 days will result in the student being administratively withdrawn.

CANCELLATION & REFUND POLICY

All refunds due directly to students will be made within 30 days (i) of the last day of attendance if written notification of withdrawal has been provided to CDE Career Institute by the student, or (ii) from the date that CDE Career Institute terminates the student or determines withdrawal by the student. Students are not required to request a refund.

FULL REFUND OF TUITION FEES

The student will receive a full refund of tuition and fees if:

1. the applicant gives the school written notice of cancellation within three business days after signing the Enrollment Agreement;
 2. the applicant is not accepted for admission;
- or

3. the course is canceled by the school

Retention of tuition and fees collected in advance for a student who does not commence class will not exceed the \$100 Application fee.

CDE will process refunds under the following terms:

Main Campus:

1. Refunds for classes cancelled by CDE
 - a. Fees that are collected in advance of the start date of a program will be refunded at 100%. The refund shall be made within 30 days of the planned start date.
2. Refunds for students who withdraw on or before the first day of class
 - a. If tuition and fees are collected in advance of the start date of classes and the student does not begin classes or withdraws on the first day of classes, \$100.00 of the tuition and fees will be retained by CDE. Appropriate refunds for students who do not begin classes shall be made within 30 days of the class start date.
3. Refunds for students enrolled prior to visiting the school.
 - a. Students who have not visited the school facility prior to enrollment will have the opportunity to withdraw without penalty within three days following either attendance at a regularly scheduled orientation or following a tour of the facilities and inspection of the equipment.
4. Refunds for withdrawal after enrollment commence.
 - a. If termination occurs after the first date of enrollment and within 10% of the period of enrollment, this will result in the school retaining the Application fee and 10% of the tuition charge.
 - b. If termination occurs after the first date of enrollment and within 25% of the period of enrollment, this will result in

the school retaining the Application fee and 45% of the tuition charge.

c. If termination occurs after the first date of enrollment and within 50% of the period of enrollment, this will result in the school retaining the Application fee and 70% of the tuition charge.

d. If termination occurs after the first date of enrollment and after 50% of the period of enrollment, this will result in the school retaining the Application fee and 70% of the tuition charge.

e. If termination occurs after the first date of enrollment and after 50% of the enrollment period, this will result in the school retaining the Application fee and 100% of the tuition charge.

5. Refunds for government-funded students will only be made to the funding agent.

Branch Campus:

In the event of notification by a student of withdrawal from the school or termination by the school prior to the completion of a program, CDE Career Institute utilizes the refund policies of the State of New Jersey to determine the obligation of the student as follows:

1. A student may cancel the Enrollment Agreement at no penalty by notifying the school in writing. The request must include the date of withdrawal and must be dated and signed by the student. This letter must be received within one week of the withdrawal (5 Business Days) to receive tuition reimbursement for that week. Tuition reimbursement will begin the week the notification is received. It is best to have delivered the withdrawal letter and have a copy signed by an Admission Staff or mail the letter by Certified Mail.

2. All monies will be refunded if the applicant is not accepted by the school or if the student cancels within three (3) business days after the enrollment agreement is signed by both parties, even if instruction has begun.

3. Cancellation after the third (3rd) business day, but before the first class will result in a refund of all monies paid, with the exception of the Application fee.

3. For courses of 300 hours or less, the school may retain the Application fee plus a pro-rata portion of the tuition calculated on a weekly basis.

4. Withdrawal after attendance has begun is based on the following refund policy/Reimbursement scale for all programs of 300 Instructional hours or more. An instructional hour is defined as Sixty (60) consecutive minutes which includes attendance, instruction, project set up and clean up.

Reimbursement Scale:

- The school will retain **Ten percent (10%)** of the total tuition if withdrawal or cancellation occurs during the first week.
- The school will retain **Twenty percent (20%)** of the total tuition if withdrawal or cancellation occurs during the second or third week
- The school will retain **Forty five percent (45%)** of the total tuition if withdrawal or cancellation occurs after the third week but prior to the completion of 25 percent of the course.
- The school will retain **Seventy percent (70%)** of the total tuition if withdrawal or cancellation occurs after 25 percent but not more that 50 percent of the course has been completed.
- The school will retain **One hundred percent (100%)** of the total tuition if withdrawal or cancellation occurs after completion of more that 50 percent of the course.

The Period of Enrollment is measured by dividing the number of weeks remaining as of the last recorded date of attendance by the total number of weeks comprising the enrollment period.

A student who has a student loan and withdraws from a program of student at CDE is responsible for notifying the loan institution of withdrawal from the school. This notification should be done in writing and must include the date of withdrawal, the student' social security number and signature. Students are encouraged to maintain a copy of this letter for their files. CDE Career Institute encourages the development of good business practices in their students. It is to this extent that we remind withdrawing students that the date of withdrawal on the letter to the Director must be the same date as on the letter to the loan institution.

TEXTBOOK REFUNDS

All textbooks required for a program session will be distributed to the student on his/her first day of attendance or when the student has satisfactorily met his/her financial obligation to the school regarding their books. Refunds will be available for textbooks only if they are returned in new condition within the student's planned enrollment period. In the event that course material substitutions are made within a student's planned enrollment period, students will be provided with the new materials at no additional charge.

REFUND PAYMENTS

All refunds due directly to students will be made to students where applicable within 30 days of withdrawal. See Return to Title IV describing refund requirements for students receiving Federal Student Aid.
